Effie Awards UK Announces 2016 Finalists

LONDON (22 March 2016) – Championing the practice and practitioners of marketing effectiveness in the United Kingdom, Effie UK is pleased to announce the 2016 finalists. Winners will be revealed at the Effie Awards UK Ceremony on 19th May 2016 at the BAFTA in London.

Of the many agency/brand teams that entered the inaugural Effie Awards UK competition, 13 have been shortlisted as finalists. Alistair Macrow, Chief Marketing and Communications Officer of McDonald's UK, and the Jury Chair for the 2016 Effie Awards UK competition, commented: "I would like to congratulate all the finalists on this incredible achievement. Feedback from the jury members has been overwhelmingly positive, with a number of cases setting the benchmark for effectiveness. It has been my privilege to be involved with Effie UK in its launch year and I look forward to celebrating all the finalists and revealing the winners in May."

Neal Davies, President and CEO of Effie Worldwide adds, "Being included on a finalist shortlist is a significant achievement, but to get there, having been judged by industry peers and recognised as an example of effective marketing communications, is hugely significant. Every finalist team—whether they are the client or the agency—should be proud to have made this shortlist.

And of course, being a finalist also means valuable points for the Effie Effectiveness Index – the annual global ranking of marketing communications effectiveness for agencies, networks, holding companies, clients and brands."
