Effie UK Announces 2021 Awards Finalists

UNITED KINGDOM, 9 September 2021 -- Effie UK has announced the 26 finalists that will be moving on to the final round of judging for its 2021 Effie Awards programme.

Finalists were determined by the Round One jury, comprised of senior marketing leaders from across the UK, spanning brands, agencies and media.

Juliet Haygarth, Managing Director of Effie UK commented, "This year's finalists deserve extra kudos as they represent those who successfully rode the turbulence of last year and crafted ideas that worked amidst the crisis. The diversity of brands who made it through to the final rounds has never been higher, from large financial services to start up and scale ups. It's clear that talent right across our industry rose to the challenge. That is a cause for optimism in itself."
